Customer Testimonial...

I have worked as a site manager for nine years and within this time I have come across many flooring contractors. The service and quality of FLR Group has proven to be second to none.

Words cannot express how much of a "site managers dream" FLR Group are. They are a company that will always get repeat business from previous jobs and put most other companies to shame. Their staff arrive fully loaded with all tools for the job at hand, dressed to impress and their vans are kept to a showroom standard. All works are carried out in a safe yet effective manner.

A very professional service in my opinion and I would have no problem recommending them to anyone, knowing that they will not disappoint.

Ben Cheung
Site Manager BCS

Customer Testimonial...

I thought I would just drop you a quick email to thank you and all your lads for the work they have done so far. All have done a very professional job and nothing has been too much trouble. As a Contracts Manager you wouldn't believe how difficult it is to get a company that work to the required standards that your lads seem to do as normal.

Your current standards will certainly sit you in good stead for future works at Birmingham Ormiston Academy and The Old Rep Theatre.

Eric Normanton - Facilities Manager
Birmingham Ormiston Academy
