

OUR COMMUNITY...

AT **FLR GROUP** WE BELIEVE IN SUPPORTING OUR LOCAL COMMUNITIES THROUGH A RANGE OF CHARITABLE AND SPONSORSHIP ACTIVITIES..

FLR Group, along with fellow sponsors have helped to raise in excess of £35,000 through the organisation of a series of charity balls in aid of **Birmingham Children's Hospital**.

The black tie events held at The Village Hotel in Solihull are aimed at raising the profile of the Neurology Department and in particular their work around epilepsy.

Birmingham Children's Hospital treats around 250,000 patients each year and is regarded as one of the best children's hospitals in Europe.

The biennial event will next take place in March 2014 where the Group are delighted once again to be supporting the work of consultant neurologist Dr Sunny Philip.

"It is a testament to the hard work of Dr Philip and his team that the events have been so well supported. Through the generosity of our guests we anticipate another successful year in 2014" commented Faith Walker, Commercial Director at FLR Group and one of the organisers.
