Introduction

Yorkshire Building Society provides a range of savings accounts, insurance products, mortgages and more.

Project Description

Through main contractor, Principle Global Ltd, the re-modelling programme for Yorkshire Building Society commenced with the Flagship branch in Harrogate. Designed by SoVibrant, the project involved many months of consultation and on site study to come up with an overall concept which included a warm and friendly approach to ‘customer face’ services.

Products

- Amtico – vinyl flooring
- Desso – carpet tiles
- Modulyss – carpet tiles
- Boen Ltd – wood planking
- Polyfor - vinyl
- Gradus Ltd - matting

The choice of finishes specified by the designers, combined with the quality of installation by FLR Group gives a truly stunning end result.

Gary Lloyd

Technical Director FLR Group
