Keith Cheshire

From Apprentice to Director...

In 1994 he graduated as a fully qualified Flooring Technician, travelling the length and the breadth of the UK fitting a variety of floor coverings and specialising in design floors.

Keith's high standards of fitting and his ability to find the best solution for the client saw him promoted to the role of supervisor, managing installation projects and leading teams of fitters.

In recognition of his long service record, Keith was appointed to the Board of Directors in 2013, where he has responsibility for overseeing the work of all operatives across the company.

Outside of work Keith enjoys a game of squash, as well as spending time with his young family.

Along with three other employees, Keith will be celebrating 25 years with FLR Group in 2014, and will play a pivotal role in the future direction of the company.
