

Welcome to the FLR Group

A Company with a Strong Reputation for Quality and Service.

Over 30 years of experience and an understanding of the needs of clients have established FLR Group as a leading figure in the provision of a diverse range of building and flooring services nationwide. Founded in 1982 the company has an unrivalled reputation built on quality, respect and trust. With a history of continuous customer satisfaction, we pride ourselves on being competitively priced, delivering a first class professional service and, above all, listening to what our clients say.

A family business, we established our first premises in Kings Heath, Birmingham, in the historic Old Stables. Three decades on, with a growing loyal and satisfied customer base, the company has recently moved into prestigious bespoke premises on the Monkspath Business Park. Our offices boast dedicated meeting rooms and a vibrant showroom with a relaxing juice bar. Here, projects can be planned and discussed with clients. Our experts are then on hand every step of the way through to completion.

FLR Group is one of the most respected and well-established flooring and design companies in the West Midlands, who can be relied upon to complete all installations, no matter how big or small, in a timely and cost effective manner.
